YOUR CHALLENGE AWAITS.

Los Alamos National Laboratory (LANL) is a multidisciplinary research institution engaged in science and engineering on behalf of national security. We're visiting Naval Submarine Base Kings Bay to recruit for a wide variety of roles at our campus in beautiful Los Alamos, New Mexico. This is an ideal way for you to share your talents with one of the world's most innovative multidisciplinary research institutions while helping to ensure the safety and reliability of the U.S. nuclear stockpile. Plan to attend our hiring event and learn how you can be part of something extraordinary.
